

ROSS WARREN

✉ Clarendon Laboratory, Oxford, OX1 3PU, UK
✉ peregrine.warren@physics.ox.ac.uk | ☎ +44(0)7990811314

EDUCATION

| | |
|---|-------------|
| DPhil (PhD) in Physics University of Oxford, UK | <i>2020</i> |
| Masters (MRes) in Plastic Electronics - Distinction Imperial College London, UK | <i>2016</i> |
| MSci (Hons) in Physics - First Class Imperial College London, UK | <i>2013</i> |

RESEARCH EXPERIENCE AND SKILLS

| | |
|---|-----------------------------|
| Research Associate in Physics Jenny Nelson Group, Imperial College London, UK | <i>March 2020 - present</i> |
|---|-----------------------------|

- Building on successful results obtained during my PhD.
- Scripting in bash and python for quantum chemical calculations and monte carlo simulations.

| | |
|--|-----------------------------|
| Visiting Researcher in Chemical Engineering Hitosugi Group, Tokyo Institute of Technology, Japan | <i>Oct. 2019 - Jan 2020</i> |
|--|-----------------------------|

| | |
|---|--------------------|
| Graduate Student in Physics Advanced Functional Materials and Devices Lab, University of Oxford, UK | <i>2016 - 2020</i> |
|---|--------------------|

- Expertise: in molecular doping, organic transistors and electrical measurements.
- Python: modelling, data analysis, data visualisation and software for experimentation.
- Presentations: to research groups and at conferences, including International Symposium on Functional π -Electron Systems (2019), the biggest conference in the field.
- Teaching: tutor in analogue electronics. Senior demonstrator for the undergraduate electronics lab.
- Managing: physics undergraduate summer project developing lab software.

| | |
|---|--------------------|
| Undergraduate Research Assistant in Materials Ecole Polytechnique Fédérale de Lausanne, Switzerland | <i>Summer 2012</i> |
|---|--------------------|

EXPERIENCE IN INDUSTRY

| | |
|---|--------------------|
| Marine Field Geophysicist Schlumberger, Canda and United States | <i>2013 - 2015</i> |
|---|--------------------|

- Responsibilities included overseeing the operation of the seismic survey ensuring that aquired data adhered to sound geophysical principles and conformed to survey specifications.
- Data analysis to determine if operationally efficient acquisition techniques are impacting the aquired seismic data quality.

AWARDS

| | |
|--|-------------|
| International Exchange Scholarship | <i>2019</i> |
| Plastic Electronics Symposium Poster Award | <i>2018</i> |
| Hackathon Win - African Healthcare, Google Campus London | <i>2017</i> |
